

Alberta School Councils' Association

In partnership with the

Canyon School Council

Invite you to an interactive & informative workshop explaining the Effective Engagement in Your School Community.

Why

School councils would like their school community to be dynamic, exciting places, where parents feel authentically engaged in supporting and enhancing student learning. Not easily accomplished, effective engagement means many different things. Explore what this means in your school community, and how it might be achieved.

Who

All parents/guardians of students enrolled in Canyon School, all staff members, and interested community members are invited to join us!

When

Tuesday, May 17th, 2022
6:30 p.m. – 8:30 p.m.

Where
